Mr. Lawrence Hagen  
479 North Cline Avenue  
P.O. Box 6056  
Gary, IN 46406

Dear Mr. Hagen:

Re: Disposal of Flyash from  
Union Carbide Plant  
4400 Kennedy Avenue  
East Chicago, Indiana

This letter acknowledges the request for disposal dated October 24, 1980, from Union Carbide Corporation.

Approval is hereby granted for disposal of 80,000 cubic yards during this year of flyash from Union Carbide Corporation at the Gary Land Development Landfill, OPP No. 45-2, Lake County. The waste is to be mixed with refuse and covered with a minimum of six inches of cover soil by the end of the working day.

The approval is granted subject to the following conditions:

1. The generator and/or hauler must contact you to notify you of the time of disposal and conditions of shipment.
2. The flyash shall not be placed in water.
3. The flyash shall not be used for daily or final cover.

This approval will be revoked if the landfill fails to maintain compliance with 330 IAC 4-1, et seq. (Regulation SPC 18). Any necessary local approval must be obtained from the Lake County Health Department.

If you have any questions, please contact Mr. Steven Wakefield of the Solid Waste Management Section at AC 317/633-0178.

Very truly yours,

Oral H. Hert, Director  
Bureau of Engineering
